BLOCK 1 - NAME AND IDENTIFICATION NUMBER

1A - Importer/Business/Private Name - Please indicate the name of the company or individual who will be importing or seeking service or payment. If you are submitting this document as a consignee to the import transaction, sections 1 and 2 must be filled out completely.

1B - IRS/SSN - Complete this block if you are assigned an Internal Revenue Service (IRS) employer identification number or Social Security Number (SSN). If neither an IRS employer identification number nor a Social Security Number (SSN) has been assigned, the word "NONE" shall be written in 1B. The SSN should belong to the principal or owner of the company.

If you have an IRS employer identification number at the time you submit this form that number will automatically become your importer identification number and **no** CBP-assigned number will be issued. PLEASE NOTE: A CBP-assigned number is for CBP use **only** and does not replace listing a SSN or IRS employer identification number on this form. If you have elected to request a CBP Assigned Number in lieu of your SSN, you must provide your SSN in section 3J of this form. In general, a CBP- assigned number will be issued to foreign businesses or individuals, provided no IRS employer identification number or SSN exists for the requester. A requester can choose to keep using the CBP-assigned number even if the individual subsequently acquires a SSN. If block 1E is completed, CBP will issue an assigned number and inform the requester. This identification number will be used for all future CBP transactions when an identification number is required. If an IRS employer identification number, a Social Security Number, or both, are obtained after an identification number has been assigned by CBP, a new CBP Form 5106 form shall not be filed unless requested by CBP.
